This volume contains the last three books of the seven books kept by Walter "Pa" Sanders for Sanders Funeral Home, McLeansboro and Sanders & Grigg, Dahlgren, IL, from 1934 to 1947. Volume 1 (published earlier) covered August 9, 1934 – August 26, 1941. Volume 2 covers August 29, 1941 – June 3, 1943. There are names in this book that have not been found in previous publications. As in the first volume, additional information (where available) from *Legacy of Kin* and *Find-a-Grave* web site has been added in italics. Most entries contain date of death, date of birth, age, place of death, place of residence, date of funeral, cause of death, minister, doctor, occupation of deceased, parents of deceased, cemetery where buried, and to whom the funeral is charged. It is a very valuable research tool for genealogists and historians.
